Dear Mel Jones

**Re: evidence for Chartered History Teacher Programme**

This is to confirm that Hugh Richards is a regular visiting tutor as part of the University of York History PGCE programme.

He has planned and delivered the following sessions for us in the past few years:

- IT in the Classroom: October 2014, 2015, 2016 and 2017 (for all PGCE students)
- World History in the Curriculum: February 2015 and 2016
- Differentiation in History: October 2017
- Supporting A-Level History project work: October 2017
- Seminar on Remembrance in Schools: October 2017

The students always rate his sessions as excellent.

Yours sincerely
