

Lesson 3: Comparing photographs

Look at the pairs of photographs. Record what is the same, what is different and what you learn about the changes in the Leeman Road area.

What is the same?	What differences can you see?	What does that tell us about the changes in the Leeman Road area?

Lesson 3: Comparing photographs

Look at the pairs of photographs. Record what is the same and what differences you can see.

What is the same?	What differences can you see?
