

ARCHIMEDES AND THE KING'S CROWN

Resources SOURCE B

Date	Story plan	Name
People & Scene Person	Problem to solve What is wrong?	Solution: the answer What is the answer?

The diagram consists of three vertical columns. A horizontal line with an arrowhead on the right spans across the bottom of the first two columns. A second horizontal line with an arrowhead on the right spans across the bottom of the second and third columns. A vertical double-headed arrow is positioned on the left side of the first column, with the text 'the scene' written to its right.
