## The Green Man: pictures

(above) Green Man, Bayley Street (off Bedford Square). The pub in the building below it used to be called The Green Man.

(above left) The church on the corner of Gordon Square. See the green man figures – enlarged on the left. They are surrounded by leaves but do not have them coming out of their mouths.

Round the corner in Byng Place you can see oak leaves (see above) and vine leaves. There are some lizards too.
